AdvanceNet Labs

Empowerment Marketplace Solutions

AdvanceNet Labs will create an engaging user experience and provide robust support. All of the features can be developed in the Empowerment Marketplace Learning Management System (LMS), powered by Cornerstone OnDemand, or in your own Cornerstone portal.

LMS Implementation Options

BASE PLAN

- ➤ Custom login page and welcome page based on our modern, mobile-responsive templates
- ➤ One simple custom page based on one of our templates
- ➤ Configure custom learning content
- ➤ Select Empowerment Marketplace pathways and content
